

CONFERENCES

Diversity University Summer 1995 Conference on Education - Conference Co-Chair
Computers, Freedom and Privacy (CFP) Conferences - Director - 1991; Director and
Scholarship Chair - 1992, 1993, 1994

Baltimore Society of Security Analysts - Conference Chair - 1985

New York Society of Security Analysts - Conference Chair - 1985

United Nations IBM and Apple User Fair - Program Chair - 1983

Big Apple Computer Fair - Program Chair - 1980, 1981

Presenter And/Or Panel Moderator:

“Creative Writing In Text-Based Virtual Reality” - Diversity University Fall 1995
Conference on Education

“Educational Tools In Virtual Reality” - Diversity University Spring 1995 Conference
on Education

“Teaching In A Virtual Environment” - International Conference on Distance
Education held on-line on Diversity University, June 1995

“Eagle Academy: Providing Virtual Support For Home Schools” - International
Conference on Distance Education held on-line on Diversity University, June
1995

“Technology’s Impact On Education” - Marist College Information Systems
Conference, March 1993

“A Tour of Text-based Virtual Reality” - Hudson Valley ACM, January 1993

“Technology Crime: A New Scam Every Minute” - Hudson Valley ACM, October
1992

“Computer Crime and the First Amendment Revisited” - Trenton State Computer
Festival, April 1992

“Hackers: Pioneers or Criminals” - NYPC Forum, June 1991

“Computer Crime and the First Amendment” - Trenton State Computer Festival, April
1991

“On-Line Worlds; The Communities of the Future” - Computers, Freedom and
Privacy Conference, January 1991

“HyperCard On It’s First Anniversary” - AppleFest, Boston, April 1989

“Where Do We Go From Here?” - Baltimore Society of Security Analysts, August
1985

“What’s Next For Personal Computers” - New York Society of Security Analysts,
February 1985

“Programming Languages: Which Is For You?” - United Nations IBM and Apple
User Fair, July 1983

EDUCATIONAL BACKGROUND

Masters of Science in Computer Science/Information Systems - Marist College (May 1994), Thesis Topic: "Technology, Sovereignty and the Information Technology Professional"; Masters of Public Administration in Criminal Justice - Marist College (May 1995); Bachelor of Arts in English Literature - Iona College (1961); Additional Courses: Iona College Graduate School of Business, Fordham University School of Law, New York Institute of Finance

ORGANIZATIONS

Center for the study of Instructional Technology in Education (CITE) (Technical Director); Association for Computing Machinery (ACM) (National Member; Past Program Chair - Hudson Valley Chapter; Present Chairman & Webmaster - Westchester / Fairfield Chapter); Electronic Frontier Foundation (EFF); Society for Electronic Access (Past Director); New York Amateur Computer Club (Director); New York Personal Computer, Inc. (Past Board Member, Director of Meeting Planning, Past Treasurer, Past Vice President); Big Apple User Group (6 Term President); Computers, Freedom and Privacy Conferences (3 Time Scholarship Chair); Data Management Division of Securities Industry Association (Past Secretary, Past Director), Downtown Athletic Club (Past Member)

ON-LINE ACTIVITIES

Active on a variety of educational virtual reality platforms - MIT Media Lab, Meridian, Snow

WWW Designer & "Webmaster" The Davidsohn Group - <http://www.davidsohn.com>

WWW Designer & "Webmaster" Westchester / Fairfield ACM

<http://www.lanline.com/~acm>

WWW Designer & "Webmaster" Web Wizard's Sites

<http://www.westnet.com/~observer>

Past Technical Editor - Marist College World Wide Web

(<http://www.marist.edu/mweb/marist.htm>)

Past Executive Director - Eagle Academy (on-line K-12 school)

(<http://www.eagle.mhv.net>)

Speaker - International Conference for Distance Education - June 1995

Instructor - Marist College Graduate Course "Information Systems Policy" taught

"same-time different place" mode on Diversity University - Spring 1995

Designer of "Virtual Marist", a replica of Marist College set in cyberspace

Developer of tools to support on-line collaboration

On-line consultant and on-line lecturer for McVicer School of Educational

Technology

Co-author of one of the first books on microcomputer communications, - Microcomputer Communications: A Window On The World

John F. McMullen

*P.O. Box 230
Jefferson Valley, NY 10535-0230
(914) 278-3091*

*johnmac@acm.org
<http://www.academic.marist.edu/mcmullen.htm>
<http://www.westnet.com/~observer>*

Overview: *Over 30 years working with computers, both at the technical and executive level; author of one of the first books on microcomputer communications and over 1,000 articles; over 15 years of teaching at the college, graduate and adult ed level (including use of innovative distance education techniques); consulting work includes communications planning and World Wide Web page development.*

Employment History: Academic

Westchester Community College
Vallhala, NY

Adjunct Professor Fall 1996

Marist College
Poughkeepsie, NY

*Adjunct Professor Fall 1991; September 1994 - 1996
Consultant 1992-1996*

New School For Social Research
New York, NY

*Adjunct Professor
September 1982 - May 1993*

New York University
New York, NY

*Adjunct Professor
September 1980 - May 1983*

Employment History: Business

The Davidsohn Group
New York, NY (<http://www.davidsohn.com>)

*Information Processing Officer
September 1996 - Present*

McMullen & McMullen, Inc.
Jefferson Valley, NY

*Executive Vice President
May 1978 - August 1996*

Newsbytes News Network
San Francisco, CA

*New York Bureau Chief
November 1989 - December 1993*

Morgan Stanley & Company
New York, NY

*Director of Data Processing
August 1977 - March 1979*

Brokerage Transaction Services Inc
New York, NY

*Vice President
May 1974 - July 1977*

Davidsohn Computer Services
New York, NY

*Vice President
May 1973 - April 1974*

Dean Witter & Co.
New York, NY

*Assistant Vice President
January 1964 - April 1973*

U.S. Department of the Army
Brooklyn, NY

*Programming Analyst
January 1962 - January 1964*
